### **NETS FOR NETS – HOPE FOUNDATION HOLDS CHARITY TENNIS AND BEACH VOLLEYBALL TOURNAMENT IN FIGHT AGAINST MALARIA**

**Berlin, 25 June 2011** - Hope Foundation Berlin is proud to present its first Charity Tennis and Beach Volleyball Tournament to support its Malaria-free Cameroon project. The event will take place on 25 June in collaboration with the Sport and Cultural Center, Spok in Pankow, Berlin.

According to the World Health Organisation (WHO), Malaria, transmitted via infected mosquito bites, takes up to two lives every minute. However, treatment, prevention and control procedures are available. The use of mosquito nets, maintenance of a safe and clean environment as well as raising awareness and educating local communities can decrease child mortality by up to 33%.

Participating companies or individuals will help raise funds to purchase mosquito nets, as well as contribute to the entire Malaria-free Cameroon cause. Tennis and beach volleyball will be the two main sporting activities taking place during the tournament, which is open to players of all skills and levels from both the corporate and private sector.

Competing organisations and individuals can use the opportunity to promote products, services as well as interact with players from different backgrounds. The day's event will include a raffle draw with fantastic prizes to be won, courtside refreshments, a great deal of fun and sporting spirit.

We call on corporate sponsorship to support six varied and rewarding packages. The entry donation fee for individual participants is 35 euros. Interested parties should contact Hope Foundation by 10 June 2011 for further details: [info@hope-found.org](mailto:info@hope-found.org) or 00491775067363.
